

Advocacy Committee Meeting
Southern Tier Library System
May 3, 2011, 11am

Present: Di Figenschur, chairperson, Judy Cross, Denise King,
Ristiina Wigg, STLS staff

Committee members reported on their contacts with offices of State legislators and will recommend that each STLS trustee sign up for email notifications from their state legislators.

Some other Systems have events like legislative breakfasts to provide opportunities for state legislators and library supporters to meet and talk. After developing promotional materials, the committee will think about how to organize events over such a big geographic area.

For now the committee will focus on attracting legislators to the STLS annual meeting.

The committee worked on updating the STLS trustee business card.

Next meeting: Thursday, May 12th, 2pm, STLS service center.

Respectfully submitted,
Ristiina Wigg
