SEPTEMBER 6, 2011

Present: Judy Cross, Denise King, Diana Figenscher, Ristina Wigg, Director

The committee came to order at 10:30 A.M. September 6, 2011 at the STLS building.

We discussed our participation in the upcoming Economic Development Council meetings in Corning and Alfred. Talking points were developed and handouts were considered.

Town Hall meetings- Following up initial contacts with state legislators. We were advised they were having meetings this fall. We agreed to reach out to our legislators as to when they were having these meetings so that if trustees are available they can attend. We developed talking points to be used at these meetings.

We talked about an overall development of an advocacy plan which begins with handing out our brochures and a presentation at this meeting.

Meeting was adjourned at 12:45 P.M.

Respectfully submitted, Diana Figenscher, Chair
